

Become a Part of History

by purchasing a custom engraved paver for the new garden walk at the Iroquois County Historical Society! Last summer we had paving stones installed under our trees near the parking lot and we would like to continue them going to the Memorial Garden. For just \$30, you can commemorate a loved one, celebrate a special occasion, or showcase your family name on a beautifully crafted paver leading to the memorial garden on the west side of the museum. These pavers will be available for a limited time, so act now to secure your place in our garden! Visit iroquoiscountyhistoricalsociety.com or call 815-432-2215 to order your paver today.
